TUIS follows English National Curriculum of England in conjunction with Uzbek Education system. We have the following Key Stages:

TUIS is a modern coeducation International School in Tashkent, Uzbekistan. We follow English National Curriculum of England in conjunction with Uzbek education system from Key stage 1 to 3. Year 1 to Year 9.

The school is committed to serving local Uzbek and international expatriate children's needs through ensuring they have the cultural respect and through delivering educational excellence and inspiring personal growth. The school aims to develop intrinsically motivated global citizens who are committed to being leaders in community involvement and environmental awareness.

Children are taken from primary age Year 1 right through to Year 9 and the onsite facilities and amenities are top notch.

School places great emphasis on the educational needs of the expatriate child. Maximum class sizes are just 20 students, and onsite facilities and amenities are excellent and range from IT suites to science labs, from media rooms, theatres to music rooms, 2 libraries and a fitness area.
